

## How I Got Rid of Burning Feet

And Pains from Corns and Bunions Without Soaking, Powders, Plasters, Etc. After Suffering Indescribable Foot Misery for 20 Years.

Prof. F. T. McIntyre, well known world tourist and lecturer, says: "For years I was compelled to wear shoes two sizes too large, to be able to walk with any comfort at all. I tried soaking my feet in medicated baths, powders, plasters and foot treatments galore, but the burning, callouses, and soreness refused to go, while the pains from corns and bunions continued to torture both mind and body, which upset my entire nervous system. One day, very fortunately, I met a lady from Egypt who gave me a little box of Gypsy Foot Relief, which she said was a secret from the desert. After using it a short time, the awful burning stopped, the callouses came off in chunks, leaving the skin of my feet clean and smooth, while the pains from corns and bunions seemed to disappear as if by magic. From that time, I said a joyful good-bye to over twenty years of indescribable foot misery. I would not take a hundred thousand dollars to go again through those years of agony. Now I feel like telling every foot sufferer to get a box of the wonderful Gypsy Foot Relief."

Note—Gypsy Foot Relief, referred to by Mr. McIntyre, may be applied in a minute, without fuss or bother. Sure, quick relief comes three minutes later, and the makers give back the small amount you pay for it in this city by all good druggists including J. G. Engler, H. M. Light, Andrew McLaughlin and Chas. Osgood Co.

The soldier took flight down the road, pursued by Mr. Cook, who caught him and struggled with him for a while but let go as he was not sure what he ought to do about holding him.

The soldier started towards the city, with Cook keeping track of him and a telephone call was sent to Constable Fenton who found the man on the Yantic road and brought him to Norwich police headquarters, where he was locked up until the afternoon when he was presented before Justice of the Peace A.
